

Diyar Private Academy

Dibba Boys

Inspiring Minds, Creating Leaders

Vision:

To ensure that every child experiences amazing learning, loves school, and makes great progress.

Mission:

Diyar School team believes that children need to control their own learning in order to develop a real love for learning. By engaging our students in hands-on, critical thinking, and problem-solving activities through to a diverse range of interesting learning opportunities, we build their independence and confidence and enable them to become resilient, life-long learners. We see our students growing into adaptable young adults capable of embracing the challenges of the future, learning and influencing others.

Diyar students are:

- Enlightened
- Educated
- Enterprising
- Empowered
- Energized

They display the following learner qualities:

- Diyar students learn to levels that amaze them.
- Diyar students collaborate.
- Diyar students think critically.
- They inquire and investigate.
- Diyar students lead and influence.
- Diyar students challenge and questions.

2023-2024 School Profile

OVERVIEW

Diyar Private Academy - Boys, in Dibba opened in 2022 by H.H. Sheikh Saleh Bin Mohamed Bin Hamad Al Sharqi, Chairman of the Department of Industry and Economics to give the people of Dibba access to a school delivering the American curriculum in English. The school is now in the care of his son Sheikh Dr. Mohammed Bin Saleh Al Sharqi, Chairman of Emirates Educational Services. The school's custom-built campus is designed to accommodate male students from Grade 2 to Grade 12. It is a private school and has an American curriculum aligned with the New York State Next Generation Standards and the Next Generation Science Standards. It also follows the Ministry of Education curriculum for Arabic, Islamic, and Arabic Social Studies. It was accredited by AIAASC in 2022.
